Diolch am ymaelodi i gymryd rhan yn ymgyrch Gwisgo Coch i Gymru a Felindre 2024 ac ymuno ni wrth Paentio Cymru'n Goch!

Since 2017, this campaign has helped us raise a life changing **£300,000!!** This would have never been possible without all our incredible supporters who join us wearing red every year.

We want to make 2024 the biggest and best year yet! Your support is needed more than ever before with cancer now effecting 1 in 2 people. We need your help to raise more money to support the increasing number of patients living with cancer. Your £1 makes a huge difference to us here at Velindre, allowing us to continue providing the best possible treatments, care and support services to cancer patients and families in Wales.

Velindre is recognised as the Hospital of Hope in Wales and this is made possible because of the generosity and support of our committed fundraisers and donors. Thanks to this support, Velindre is able to provide hope to more cancer patients and their families.

**“This is a miracle place.
You can feel the hope
within the walls.”**

Velindre Patient.

Money raised from this campaign will allow us to fund a range of roles, resources and services that aim to improve a patient's experience during their time at Velindre and continue to provide Hope to those who need it most.

Activity ideas

It's so easy to get involved in this campaign and support the vital work at Velindre Cancer Centre. **Simply Wear Red and donate £1.** It really is that easy to make a big difference.

By Painting Wales Red, we are showing support for our National Rugby Teams ahead of their Six Nations opener, but also raising awareness and funds for the work provided by Velindre Cancer Centre.

You can wear anything red; from your Wales Rugby jersey, a red baseball cap or even a pair of red socks or a tie, whatever red item you wear you'll be making a difference.

We also have official Wear Red campaign t-shirts available on our website.

Please visit www.velindrefundraising.com/shop/ to order yours today.

But why stop there?

If you want to do more, you could **host a red themed event** such as a cake sale, quiz night or a red workout. Every pound you raise will help to provide hope for more cancer patients in Wales and raise awareness for the vital work that we do.

We'd love to see your **#WEARRED2024** activities!

Remember to share your Wear Red activities and pictures on social media using the campaign hashtags below.

Please TAG us in all your posts and help us Paint Wales, and social media, Red!
